

# Couples Retreat in Montreal

## Hotels, Resorts & Airbnb

The couples therapy will be done in the seating area of your hotel room/suite or the living room area of your airbnb. The following are a few hotels that are all suites or have a suite option. If you have another hotel that you would prefer to use, please make sure that it includes a seating area (sofa and one or two chairs). [AirBNB](#) is the most popular option. You can read reviews of the hotels and see their rates on [Tripadvisor](#) . You can also find package deals for most of these hotels on [Expedia.ca](#) or [Hotels.ca](#) .
